Extension Agent

Information on land applying manure can be found in UK Extension publications ID-123, AGR-146 and 146A (poultry litter), and ASC-80 (swine manure).

Animal waste must be registered with the Division of Regulatory Services before being sold or offered for sale as a fertilizer.

For registration information contact: Dr. Dave L. Terry, Coordinator of Fertilizer Regulatory Program, University of Kentucky, 103 Regulatory Service Bldg, Lexington, KY, 40546. email: dterry@ca.uky.edu, phone: 606-257-2668
